Agenda –

- National Online Safety posters
- Safer Internet Day
- Trip to Bletchley Park

Minutes –

- Mrs Kobylanski told the committee about the upcoming 'Safer Internet Day' on 6th February 2025. Mrs Kobylanski said that the children and the parents/carers will be learning and remembering how to stay safe online. We will also be visited by POP UK who use songs and music to help children learn about online safety. Daisy and Tommie said that it would be helpful to learn about the different age ratings for games and how to find the age rating of a game. Freddie said sometimes, children might need to be reminded how to recognise when a website is dangerous or inappropriate. Pharrell said the children can help each other be safe online by working on the computers and iPads together.
- Mrs Price reminded the committee about their trip to Bletchley Park last Summer. Bletchley park was the base for the team of code-breakers during the second world war. Mrs Price asked the committee if both old and new committee members would like to go on this trip again. The committee voted unanimously 'yes' to go on this trip. Michael said it was really good!
- Mrs Price asked the committee to distribute this weeks 'Wake up Wednesday' poster from the National College which is about Tik Tok and other messaging apps. Freddie will coordinate the distribution of these.

Any other business –

- None

Actions–

- Mrs Price to organise the trip to Bletchley Park for the Summer.
- Freddie to distribute the posters.

Next Meeting – Friday 21st March 2025
